

2019-2020

BODY SHOP

REFINISHING SYSTEM

Made In USA

PERFORMANCE AND PRODUCTIVITY

Tunch Goren

FOR NEARLY 30 YEARS, 3D'S FOCUS HAS BEEN TO CREATE INNOVATIVE PRODUCTS THAT GUARANTEES "HIGH-DEFINITION CAR CARE"

PERFORMANCE and PRODUCTIVITY is our MISSION.

With that goal and dedication in mind, we have enhanced our products to save time, increase performance and improve productivity for O.E.M., body shops and collision centers.

ACA® Products, used with our ACA Flex Sanding System and combined with our specially designed pads, are the FASTEST, paint correction system on the market! 3D's system will correct twice as fast with a better finish than any compound in the world in just TWO easy steps!

The new ACA® 510 X-TRA Cutting Compound is the foam pad version of the industry leader, ACA 500. It is designed for body shops that do not use wool pads.

This 3D system will deliver better results without the worry of dye backs. Many compound and polish manufacturers add fillers to hide small scratches and holograms delivering a temporary acceptable appearance. With the ACA system, 3D provides a safe, water-based compound and polish that gives a TRUE PAINT CORRECTION, every time!

WE ARE CONFIDENT THAT YOU WILL BE IMPRESSED BY THE PERFORMANCE OF OUR CORRECTION SYSTEM, AND PROMISE TO CONTINUE PROVIDING SAFE, INNOVATIVE AND GREEN DETAILING PRODUCTS THAT BUILD UPON OUR SLOGAN, "DETAILING MADE SIMPLE!"®

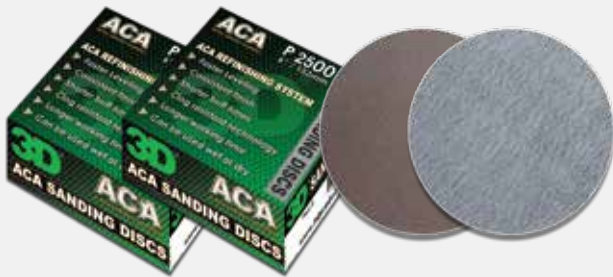

2 STEP REFINISHING SYSTEM

Less Sanding • Less Compound • Less Steps • Less time • Best Results

Use Less. Do More.[®]

Less Sanding

After sanding with P1500,
you can sand with P2500
(Recommended, but optional)

TRUE PAINT CORRECTION, NO DYE BACKS

ACA REFINISHING SYSTEM

**STEP
1**

DESIGNED FOR WOOL

3D[®] ACA[™] X-TRA CUT COMPOUND: 500

3D ACA 500 X-TRA CUT COMPOUND is infused with ALPHA CERAMIC ALUMINA, a revolutionary new abrasive which has been formulated to provide high speed, low heat leveling that will correct even the most challenging clear coats and single stage paint. This precisely engineered compound delivers TRUE PAINT PERFECTION in the absolute shortest amount of time.

ACA 500 X-TRA CUT COMPOUND is versatile and aggressive enough to correct the hardest new ceramic clear coats, and also works extremely well with soft clears. ACA 500 is water-based, which makes it easy to use, and easy to clean-up. Works best when applied in shaded areas but is also sun friendly. It contains NO harmful solvents or OSHA regulated CRYSTALLINE SILICA. ACA 500 X-TRA CUT COMPOUND can be perfectly paired with a WOOL pad and used with a rotary buffer or dual action polisher.

**STEP
1**

DESIGNED FOR FOAM

3D ACA[®] X-TRA CUT COMPOUND: 510

3D ACA[®] 510 X-TRA CUT COMPOUND[™] is infused with ALPHA CERAMIC ALUMINA[™], a revolutionary new abrasive which has been constructed to provide lower heat, high speed leveling that will correct even the most challenging clear coats and single stage paint. This precisely engineered compound delivers TRUE PAINT PERFECTION in the absolute shortest amount of time.

ACA 510[®] X-TRA CUT COMPOUND[™] water-based formula is extremely versatile. ACA[®] 510 is aggressive enough to correct the hardest new ceramic clear coats and also works extremely well with soft clears. ACA 510 is water-based, which makes it easy to use, easy to clean-up. Works best when applied in shaded areas but is also sun friendly. It contains NO harmful solvents or OSHA regulated CRYSTALLINE SILICA. ACA 510 X-TRA CUT COMPOUND can be perfectly paired with a FOAM pad and used with a rotary buffer or dual action polisher.

ACA ALPHA CERAMIC ALUMINA

**STEP
2**

FINISHING POLISH

3D® ACA™ FINISHING POLISH: 520

3D ACA 520 FINISHING POLISH is the industry's fastest HOLOGRAM FREE finishing polish with ALPHA CERAMIC ALUMINA. This revolutionary new water-based abrasive polish has been formulated to provide a fast, low heat, hologram free finish eliminating polishing for the most challenging clear coats and single stage paints.

ACA 520 FINISHING POLISH is also extremely versatile and contains NO harmful solvents or OSHA regulated CRYSTALLINE SILICA. ACA 520 quickly corrects any painted surface leaving a hologram free, glass-like finish without the need of adding fillers, which eliminates the possibility of dye-backs. ACA 520 water-base formula is extremely easy to use and easy to clean up, leaving the perfect finish the first time... EVERY TIME. Works best when applied in shaded areas but is also sun friendly. ACA 520 has a great open time and will not dust.

Can be used with a DA or high-speed rotary polisher and your choice of 3D foam pad.

3D° ACA™ FLEX ABRASIVE SANDING DISCS

Flex Abrasive Sanding Discs are constructed with a flexible cloth backing, clog resistant material and a shallow scratch pattern with the abrasive grains distributed in the most uniform pattern possible. This construction provides a fast, even cutting action. This abrasive, due to its cloth backing, can be used wet or dry without sacrificing quality or longevity.

ACA Flex Weave Abrasives is a unique, multifunctional sanding material that was developed for a smooth sanding pattern on angled surfaces and edges, while minimizing the risk of heavy pigtails and burning. The Flex Weave Technology also allows water and air to pass freely, making it ideal for both dry and wet sanding.

3D° ACA™ INTERFACE PADS

Our unique designed micro hook and loop system allows smooth sanding without creating deep pigtails providing a quick and even finish. These full bodied, flexible interface pads provide a soft cushion between the machine's backing plate and sanding disk.

AAT BLENDING & CORRECTION GLAZE

AIO
ALL IN ONE

CORRECTION GLAZE

3D AAT® CORRECTION GLAZE: 505

Combines the power of Adaptive Abrasive Technology® and Montan Wax. This silicone-free glaze is engineered for fresh and cured paints.

Seamlessly blends older panels to match newly painted panels to avoid color discrepancies.

Works great on clear or gel coat surfaces providing a deep, wet gloss finish. Works best when applied in shaded areas, but is also sun friendly.

PREMIUM CORRECTION PADS

GOLD X-TRA CUT WOOL PAD

8" : K-XW8

3D ACA system gold lambswool knitted pad is the fastest cutting pad available. This genuine wool pad is made from the highest quality Australian wool. The thickness of this wool pad creates faster more effective surface leveling on any painted surface. No linting technology.

PREMIUM WHITE LAMBSWOOL PAD

3" : K-KW3 5" : K-WW5 6" : K-WW6 8" : K-WW8

This 100% natural white wool cutting pad provides a more even displacement of fibers than a traditional wool pads eliminating "bald spots" in the middle of the pad, and does not produce lint. Removes oxidation, sanding marks, and heavy swirls and scratches. No linting technology.

HEAVY CUTTING SPIDER FOAM PAD

7.5" : K-58SWH

This is our most aggressive foam cutting pad that is ideal for quick removal of scratches, towel marks and oxidation.

CUTTING SPIDER FOAM PAD

5.5" : K-55DP

CUTTING FOAM PAD

3" : K-53SDP 6.5" : K-56SDP

This aggressive foam cutting pad is ideal for quick removal of scratches, towel marks and oxidation.

POLISHING FOAM PAD

5.5" : K-55LP

POLISHING SPIDER FOAM PAD

3" : K-53SLP 6.5" : K-56SLP

Due to its unique cell structure, this polishing foam is capable of filling every paint correction gap between heavy cutting and fine finishing.

FINISHING FOAM PAD

5.5" : K-55BK

FINISHING SPIDER FOAM PAD

3" : K-53SBK 6.5" : K-56SBK 7.5" : K-58SBK

3D's finest finishing pad is the standard of High Definition which defies what a typical soft finishing foam is capable of.

BACKING PLATES

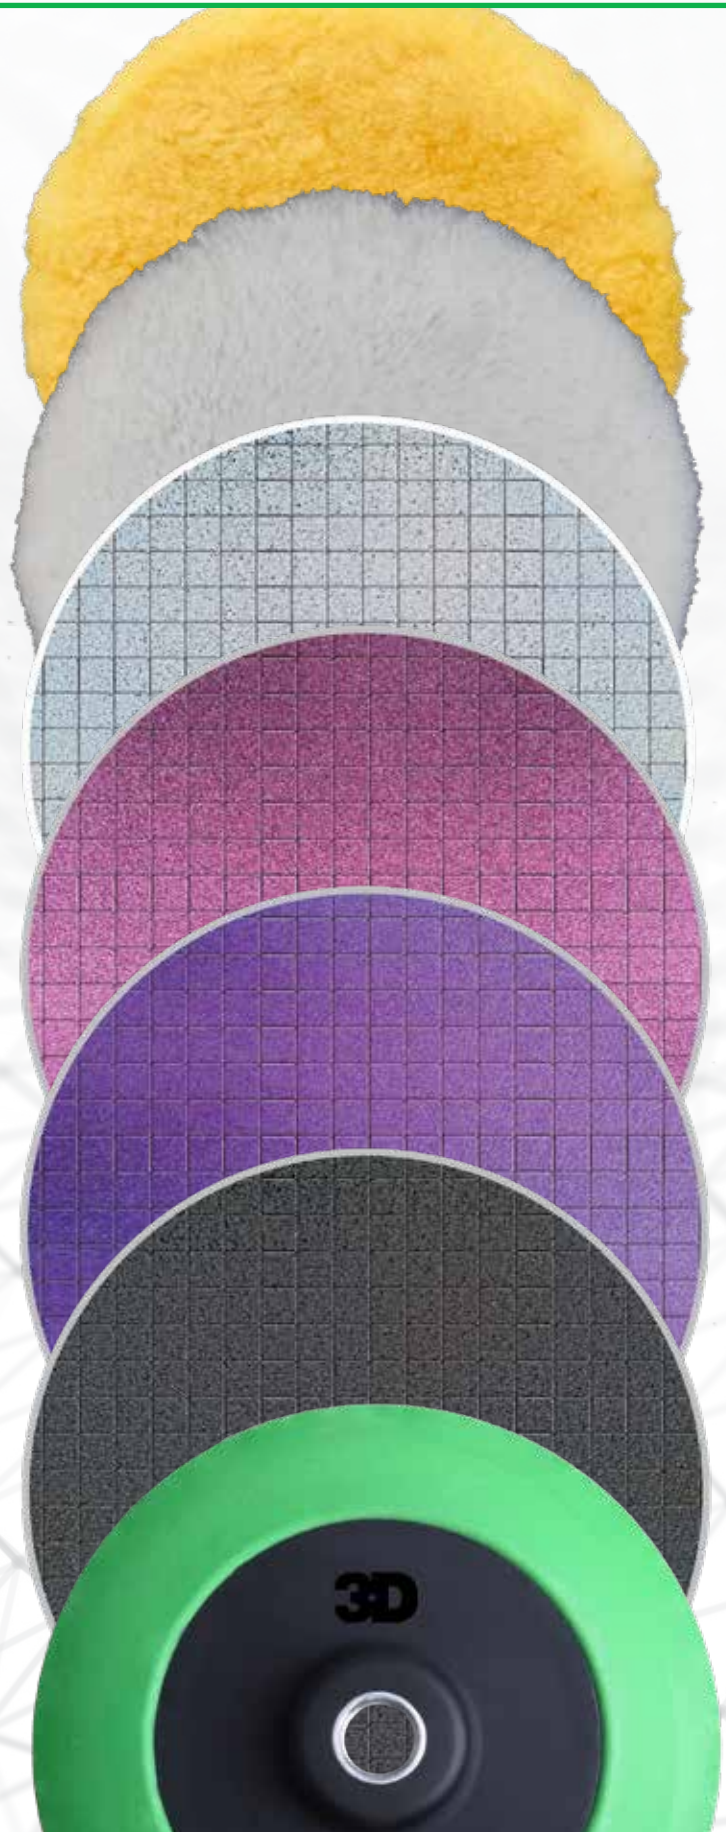

3" : K-97 5.75" : K-77 7" : K-99

5/8" THREAD

3" : K-98 5.75" : K-78 7" : K-100

14MM THREAD

3D Flexible Backing Plate is the ideal backing plate for any rotary buffer. Allows you to also work into curves and angled areas of a vehicle.

EZ-SWITCH BACKING PLATE SYSTEM

3D EZ-Switch Backing Plate System allows you to quickly swap pads without having to remove them from the backing plate, which prolongs the life of pads by avoiding unnecessary stretching.

Back and forth switching between compounds is just a click away. No need for alignment each time.

Perfect system for rotary polishers, saves time and effort, especially in the body shop business.

Steel locking mechanism ensures a reliable connection between the backing plate, pad and polisher.

- Fast Pad Swapping
- Prolongs Pad Life
- Easily Switch Between Compounds
- Reduces Number of Pad Alignments
- Saves Time and Labor

REVOLUTIONARY NANO PAIL®

1 SHOT = 32 OZ RTU

1 NANO PAIL = 96 BOTTLES RTU

3D SUPER DUTY DEGREASER: 1001

NANO DRUM – SUPER DUTY DEGREASER is the new Super-Homogeneous, 45:1 Ultra-Concentrated, industrial strength exterior degreaser that cleans the toughest dirt and stains, engines, floors, machinery and tools. Fast acting, powerful cleaning degreaser quickly loosens grease, tar, bugs, grime and tough dirt. Rinses off easily from painted surfaces.

NANO DRUM - SUPER DUTY DEGREASER Nuevo desengrasante para exterior, súper concentrado, homogéneo, diluible en 45:1. Producto de uso industrial que limpia las manchas y suciedad más difícil, motores, pisos, maquinaria y herramientas. Desengrasante de potente acción limpiadora, súper concentrado y de acción rápida, ataca la grasa, el alquitrán, los insectos, y la suciedad mas difícil. De súper fácil enjuague en superficies pintadas.

3D SUPER SOAP: 2021

NANO DRUM – SUPER SOAP is our new Super-Homogeneous, 1800:1 Ultra-Concentrated, pH balanced powerful vehicle soap. SUPER SOAP can be used in automated car washes or by hand. This highly concentrated formula delivers rich, full bodied dense soap foam that easily removes grime, road film and dirt without dulling painted finish.

NANO DRUM - SUPER SOAP es nuestro nuevo jabón para vehículos súper potente, súper concentrado, homogéneo, y de dilución 1800: 1. SUPER SOAP se puede usar en lavaderos automáticos o a mano. Esta fórmula altamente concentrada proporciona una espuma densa y jabonosa que elimina fácilmente la mugre, residuos de brea y la suciedad sin afectar el terminado de la superficie.

NANO DILUTION SYSTEM

3D SUPER GLASS CLEANER: 9001

NANO DRUM – SUPER GLASS CLEANER, Super-Ultra-Homogeneous, 50:1 concentrated formula. Super Glass Cleaner is alcohol based, ammonia free, non-streaking, fog and smudge resistant formula which makes it safe for tinted windows. Works great on windshields, mirrors, plastic, and headlights.

NANO DRUM - SUPER GLASS CLEANER, Súper Ultra homogéneo, fórmula concentrada de dilución 50:1. Super Glass Cleaner es una fórmula a base de alcohol, libre de amoníaco, no deja marcas ni manchas y es seguro para vidrios polarizados. Funciona muy bien en parabrisas, espejos, plásticos y faros.

3D SUPER WHEEL CLEANER: 1101

NANO DRUM – SUPER WHEEL CLEANER, Super-Ultra-Homogeneous, 30:1 Concentrated formula. Strong environmentally safe wheel cleaner removes oxidation, brake dust, grease, grime and tough dirt. Will rinse off easily. Safe for clear coated paint and aluminum rims. Does not contain hydrofluoric or sulfuric acids.

NANO DRUM - SUPER WHEEL CLEANER, Súper Ultra Homogéneo, fórmula concentrada de dilución 30:1. Seguro para el medio ambiente. Limpiador de neumáticos y llantas, remueve oxidación, residuos de frenos, restos grasosos, recomendado para aros pintados y aluminio, de fácil enjuague. No contiene ácidos fluorhídrico o sulfúrico.

3D SUPER CITRUS APC: 1091

NANO DRUM – SUPER CITRUS APC, super-homogeneous, 45:1 Ultra-Concentrated industrial strength interior and exterior cleaner / degreaser. It is an all-in-one cleaner with natural citrus “D-limonene” oil that helps remove the toughest stains, grease, oil, dirt and odors. Excellent for automotive, janitorial and home use.

NANO DRUM - SUPER CITRUS APC, producto homogéneo, diluible 45:1, súper concentrado, orgánico, de poder industrial y multiuso para interior y exterior. Limpiador con cítricos naturales (D-Limonene) que ayudan a aflojar y limpiar rápidamente la suciedad, manchas difíciles y malos olores. Excelente para la limpieza del automóvil, tapicería y el hogar.

BODY SHOP SAFE CLEANERS & DRESSINGS

3D GRAND BLAST: 100

Grand Blast™ is a strong degreaser that works excellent on engines, machinery, tools, and floors. Grand Blast™ works fast to loosen and emulsify grease and grime for easy rinse. When used as directed, it is safe to use on virtually all painted surfaces.

Grand Blast, fuerte desengrasante, que trabaja muy bien en motores, maquinarias, herramientas y pisos. Grand Blast™ rápidamente desprende y emulsiona la grasa y suciedad haciendo que estos se enjuagan fácilmente. Si se usa correctamente es seguro en la mayoría de las superficies.

3D PINK CAR SOAP: 202

A rich, pH balanced, super-concentrated liquid cleaning soap that produces dense stable foam to wash any vehicle. Designed to effortlessly remove dirt, grime and road film without dulling the vehicle surface. Rinses easily to conserve water and helps prepare the vehicle for polishing and waxing.

Un jabón de limpieza líquido enriquecido, con pH balanceado, súper concentrado que produce densa espuma estable para lavar cualquier vehículo. Diseñado para remover fácilmente la suciedad, polvo y residuos de las carreteras sin opacar la superficie del vehículo. Se enjuaga fácilmente para conservar el agua y ayudar a preparar el vehículo para el pulido y encerado.

3D SPRAY DETAILER: 503

Quick and easy way to remove fingerprints and buffer smears for a showroom shine. Works great on paint, glass and chrome. Spray on cars that are not heavily soiled and wipe off with a soft, clean, dry cloth for an instant deep gloss. Excellent lubricant for clay bars.

Una manera rápida y fácil de eliminar huellas de dedos y residuos de producto para un brillo de exposición. Funciona muy bien en pintura, vidrio y cromo. Rocíe en automóviles que no estén muy sucios y límpielos con un paño suave, limpio y seco para obtener un brillo profundo instantáneo. Excelente lubricante para barras y toallas de descontaminación. Seguro en talleres de colisión.

3D NON-SILICONE DRESSING: 713

This silicone-free dressing is 100% body shop safe and VOC compliant. It works excellently on hard surfaces including trim, vinyl, moldings, bumpers, engine and tires. Works great on wheel wells.

Este abrillantador libre de silicona es 100 % seguro en la industria de chapa y pintura. Excelente en superficies duras que incluyen rebordes, vinilo, molduras, parachoques, motor, neumáticos y guardabarros.

3D TOWEL KLEEN: 108

3D Towel Kleen™ is a lemon scented, powerful, "low foam" laundry machine soap. Unlike powder soaps, it will not retain residue inside the towel's fibers - thus eliminating streaks on windows. This will also extend the towels life while maintaining its softness. This product has excellent rinsing ability.

Es un poderoso detergente para máquinas de lavar, genera poca espuma y contiene aroma a limón. En comparación a otros detergentes, éste no retiene residuo dentro de las fibras de las toallas, eliminando así las marcas en las ventanas. Éste producto extenderá la vida de las toallas, manteniendo su suavidad. También tiene una excelente habilidad de enjuague.

3D CARPET & UPHOLSTERY CLEANER: 205

3D Foaming Carpet & Upholstery Cleaner™ is a super rich foaming upholstery and carpet cleaning shampoo. Bottled in an aerosol can for convenient spot cleaning. 19 oz.

3D Foaming Carpet & Upholstery Cleaner™ Shampoo limpiador con gran nivel de espuma para limpiar alfombras y tapicería. Envase de 19 oz.

3D Nano Prep Pad: G-09PAD

Nano Clay Pad attaches to a backing plate to quickly and safely remove paint over-spray, rail dust, brake dust, industrial pollution and other bonded contaminants from any surface.

For use on DA Polishers.

El Nano Pad es un disco que se adapta al respaldo de la pulidora de doble acción y remueve de un forma segura los contaminantes, brisado de pintura, partículas metálicas y polución industrial de cualquier superficie.

Solo para usar con maquinas roto-orbitales.

ORDERING AND RETURN POLICIES

To place an order, call toll-free at 888-999-SOAP (7627). Customers ordering by phone, fax, or e-mail may be required to sign an order confirmation receipt before the order can be completed. We accept Visa, MasterCard, and American Express. For your protection, personal checks and large purchases may require proof of ID. When paid by check, orders could be delayed until clearance from your financial institution. Overseas customers can call us at 1-661-250-2020.

3D International business hours are Monday to Friday from 8:30-5:00 pm PST. Email sales@3dproducts.com. Shipping and freight: Orders will be shipped via UPS or FedEx ground or truck by the end of the next business day. (SUBJECT TO AVAILABILITY) Overnight service and 2nd day shipment is also available at an additional cost. Please contact us for details. Drums, specialty items and orders over 250 lbs. will be shipped via LTL carrier. All freight charges are the responsibility of the customer and will be billed on the invoice. Shipping charges are non-refundable, and it is the buyer's responsibility to pay any freight charges incurred by refused shipments and unclaimed goods.

Returns: To return any merchandise, contact our customer service department for an RMA# (return merchandise authorization number) and UPS call tag. Customer is responsible for the shipping of returned items except when items received are incorrect or damaged. No returns will be accepted for merchandise that has been damaged by customer misuse or negligence. Returns requested after 10 days from purchase date will be subject to a 15% restocking fee, No returns after 60 days.

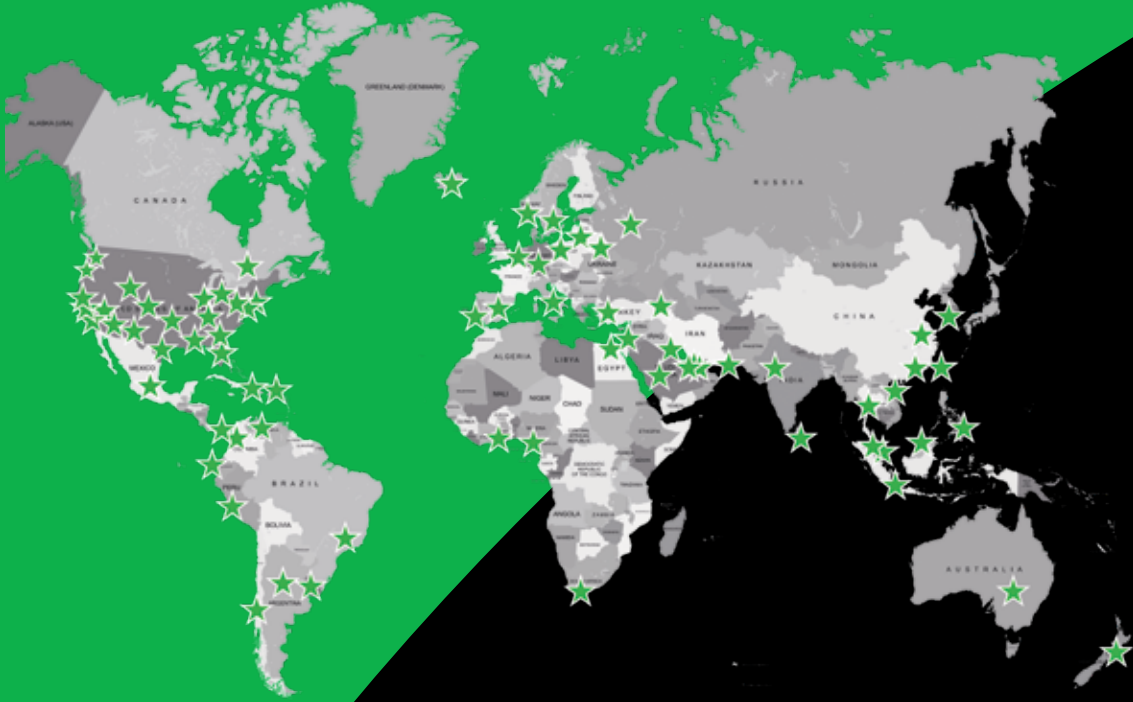

Product Guarantee: If you are not 100% satisfied with our products, you may return it for credit (except aerosols). There is no cash refund for returned items. A credit will be applied to the customer's account. Previously exchanged merchandise may not be returned for a second exchange or credit.

Warranty: Some equipment may be covered by a Manufacturer's Limited Warranty. Warranty work is not done by 3D International and must be repaired by an authorized service center and we will be happy to help you find the location nearest you.

DETAILING MADE SIMPLE®

3D is a proud consumer-centric company. We adhere to the strict government quality rules in our manufacturing process. Every single chemical serves a purpose and every single product unveils a user-friendly auto-detailing path.
